### Experience

UXOInfo.com pre-screens all UXO Technicians based upon your project needs, qualifications outlined in Department of Defense Explosive Safety Board (DDESB) Technical Paper 18, and OSHA Hazardous Waste Operations and Emergency Response (HAZWOPER) Standards.

- **Rigorous Screening:** Pre-screened, pre-qualified UXO Technicians when you need them
- **Payroll and HR:** We handle payroll and HR reporting requirements.
- **SCA Compliance:** Standards and reporting requirements met
- **Travel Coordination:** We schedule and coordinate travel for the technicians.
- **All Levels Provided:** UXO Level I, Level II, Level III, UXO Safety Officer, UXO Quality Control Specialist, and Senior UXO Supervisors

### Project Example

**Fort Sill, Oklahoma** - UXOInfo.com provided UXO Escorts to support an archeological study conducted on the ranges.
