Experience

OHI pre-screens all UXO Technicians based upon your project needs and upholds qualifications as outlined in:

- Department of Defense Explosive Safety Board (DDESB) Technical Paper 18, and
- OSHA Hazardous Waste Operations and Emergency Response (HAZWOPER) Standards.

- **Rigorous Screening:** Pre-screened, pre-qualified UXO Technicians when you need them
- **Payroll and HR:** We handle payroll and HR reporting requirements.
- **SCA Compliance:** Standards and reporting requirements met
- **Travel Coordination:** We schedule and coordinate travel for the technicians.
- **All Levels Provided:** UXO Level I, Level II, Level III, UXO Safety Officer, UXO Quality Control Specialist, and Senior UXO Supervisors

Project Example

Fort Sill, Oklahoma - OHI provided UXO Escorts to support an archeological study conducted on the ranges.

HubZone/Small Business

OHI is a Small Business located in a HubZone headquarters in the Baltimore/ DC area.
